REMARKS

Claims 1-14 have been allowed. By this Amendment, the specification, claims 1-6 and 9-14, and drawings are amended for clarification purposes only.

The Office Action objects to the drawings. The drawings are amended by adding the legend "Prior Art" to Figs. 19 and 20. Accordingly, withdrawal of the objection to the drawings is respectfully requested.

The Office Action objects to the specification because the title is not descriptive. The title is amended as recommended by the Patent Office. Accordingly, withdrawal of the objection to the specification is respectfully requested.

The Office Action objects to claim 1-6 and 9-14 because of informalities. The claims are amended as recommended by the Patent Office to overcome the objection. Accordingly, withdrawal of the objection to the claims is respectfully requested.

In view of the foregoing, this application is now in condition for allowance.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number set forth below.
